BIOGRAPHY

As an award-winning vocalist, entertainer, cancer survivor and now one of the country's top speakers, Kevin has seen and done it all.

Kevin grew up in Weiser, Idaho in a musical family of seven children. The family moved to California as Kevin was entering his second year of high school. A gifted athlete who excelled in several sports, Kevin began experiencing fatigue and unexplained pain that was later diagnosed as a rare form of bone cancer (Ewing's Sarcoma) that had spread to his lungs. A senior in high school, Kevin was told that his chance of survival was slim. Uncertain if he would live six months, Kevin was introduced to the Make-A-Wish Foundation, which grants wishes to children with life-threatening illnesses. They honored his wish of meeting producer/performer David Foster, whose friendship sustained Kevin through two grueling years of chemotherapy, experimental drugs and radiation treatments, as well as opening a door for Kevin to pursue his goal of becoming a successful country artist.

Kevin has never forgotten the generosity of the Make A Wish Foundation and currently acts as a national spokesman for the organization. He was also honored with the prestigious "Wishgranter of the Year" award, which singled him out for the devotion, dedication and inspiration he provides to children. To date, Kevin is the only wish child to become the wish request of other wish kids making his wish experience come full circle.

TESTIMONIALS

"I've never seen or heard anything better."

Jack Hanna

"I just wanted to let you know that I really appreciate your willingness to come to our "REEL Kids" awards celebration yesterday. You did a great job inspiring our ReelKids to shoot for the stars. I enjoyed your words, your songs, your empathy and your compassion. I'm not normally much of a music fan, being a numbers person, but I will now, forever be a fan of the man that God is allowing Kevin Sharp to be! Hat an awesome opportunity God has given you to minister."

O'Neil Miller

HTC-Horry Telephone Cooperative, Inc.

"WOW! That is the only word I can use to describe Kevin Sharp's presentation at the University of Wisconsin Oshkosh. He is one of the most amazing people we have had on campus. The audience is on an emotional roller-coaster throughout the program. One minute you're laughing and the next minute you're almost in tears. He share his stories of life-changing experiences that gives everyone in attendance hope. After hearing his presentation, you will look at life in a different way. It was great that Kevin performed a few of his songs during the evening. It really set the tone for the event. I hope he has the opportunity to visit many college campuses across the United States."

"I have received phone call after phone call all day long from individuals that were all inspired by your inspirational songs and personal account of the, "Power of a Wish." They also really loved the "drive-thru" story. I knew your story, I knew your songs, but I didn't know the man. Kevin, you are our new hero!"

Mark Pilon

Make A Wish Foundation

"If you get a chance tonight, shake this man's hand. You'll be shaking the hand of an angel."

Dennis McGinnis

"Between your message and great entertainment, you took the audience through every realm of emotion possible. It isn't often that a speaker makes that kind of impact on an audience that you did."

Sheryl Camp

Atlanta Apartment Association

"It really was a privilege to be in the audience today. His message was real, positive, and very uplifting. What a wonderful experience! Thank you for bringing him to CMC."

Gregory Ramey, Ph.D., Vice President of Outpatient Services, Children's Medical Center

"This past weekend I had the pleasure of working with a nationally-known cancer survivor and entertainer, who not only helped us make the opening of McKee's Cancer Center very successful, but also touched the lives of the entire Loveland, Colorado community—country music entertainer Kevin Sharp. His speech and performance was wonderful. He spent hours with cancer patients talking with them about his experience with the disease. He shared his life with us and his music in a way that gives us hope and kindled a spark in all of us."

TESTIMONIALS

"It was a pleasure to meet Kevin last month on the 2006 Country Cruise! He's truly an amazing person and an inspiration to all. I'm so glad I had the opportunity to meet him. When I'm asked about the cruise I tell everyone of course what a wonderful time I had, but the best part of it was meeting Kevin. I can't tell anyone about him without getting tears in my eyes. He truly touched my heart."

Cynthia Preston
Des Moines, IA

"Words cannot describe the emotion in Pell City today! Kevin touched the hearts of hundreds and as word spreads, more hearts are being touched simply from hearing about last night. Not only were hearts touched, but lives have been changed. I have never been an emotional person, but as you saw last night, my life was changed. You all were so gracious and I know I have found some great friends. I felt like I had known Kevin all my life."

Dale McCurry
Pell City, AL

"The Kevin Sharp concert to promote fundraising for cancer research and Lakeside Hospice was a smashing success! Kevin last night, played to a sold-out crowd and the Leadership Pell City class earned the distinction of raising more money on a community service project than any other in the history of the program. Incredible!"

Kyle Shelton
General Manager/Managing Editor
St. Clair News-Aegis

"I had the wonderful opportunity of meeting Kevin on the country music cruise in Dec. I chose Kevin for a meet and greet because I had seen the difference he made in the life of one of my patients. Alyssa is a stage IV Ewings survivor who is now a happy Junior higher who now only comes to visit our pediatric unit for FUN! Her grandma got Kevin's book way back when Alyssa was first diagnosed and I know it made a difference in their lives. I am now ordering a book for another patient! Francisco is 18 and was diagnosed this year with stage IV Ewing's also! I had planned on getting a book and dog tag prior to even leaving on the cruise for him. Once I met Kevin at both the meet and greet and the talk that he did, I was so touched by his generous heart and love for people, that I forgot to get the book! Once I got it together, the books were all gone! So I was hoping to get one personalized for Francisco now! I can honestly say that Kevin was the absolute highlight of that cruise for me! I came back to work and told all the other pediatric nurses about Kevin."
